STATIONERY AND PAPER GOODS
SPRING/SUMMER CATALOGUE

HELLO!

Hello! We're Christine Gardner Design. Our wrap and card ranges are hand illustrated, bright and cheery contemporary floral and character designs. All created in our West Sussex studio.

Work is created with pens, pencils or paints and then moved into a digital format where pattern layouts and colour swatches are put together. This creates fun, illustrative and colourful designs that reflect the current season.

All products are printed in the UK working with excellent British manufacturers and using FSC accredited paper stocks.

Established in 2016 when Christine was on maternity leave as an Etsy shop, it all started with a christening invite and thank you card set. Now we have bestsellers on the site amongst thousands of sellers and have been featured in Homes and Gardens and Fabulous magazine.

We hope you enjoy our catalogue and hope you will buy, stock and love our cards and wrap as much as we do!
